

Pepperell Primary School Kindergarten Supply List 2009-2010

Kindergarten supplies are purchased in bulk for the entire school year. A one-time donation of \$35.00 will provide your child with school supplies for the year. Items such as crayons, pencils, glue and glue sticks are purchased in bulk and available for student's daily use. Other items purchased include scissors, construction paper, writing paper, folders, paint, markers, glitter, and other art supplies.

We will also order Georgia Studies Weekly, a weekly magazine that reinforces social studies skills.

Each classroom will have a "donation" list available at the beginning of the school year. This list will contain items that are needed and used in the classroom and can be donated. The donated items include hand sanitizer and tissue.
